Thanks again for an awesome newsletter and the awesome people that make up FDRAG, inside and outside.  
God bless all of you very much.

Hey All.  
Merry Christmas to all, in the hope that you feel Gods mercy and blessings despite your situation. I have now spend 9 months in my homeland and must say I dont miss Florida too much. Right now the falling of the leaves is making the world around me stunningly beautiful, and I look forward to walking in the dark streets with Christmas lights all around and hopefully snow on christmas eve. As some of you know, my youngest Emilie had a son last year,Nathaniel, and 10 days ago, stephanie blessed me with yet another grandbaby, Dominic. Although I dont miss Florida and the American system as such, I do miss my hubby enormously, and my contact with you guys, and the work we accomplished in FDRAG. I hope to get back in the swing when things settle here, so I can get something going from this end...  
my address is; Hannah Floyd,  
paltholm terrasserne 60E, 3520 Farum, Denmark  
in case any of you feel like sending a note.....  
May the Lord bless you and keep you, may the Lord make his face shine upon you and be gracious to you, May the lord lift up his countenance upon you and give you peace.

Greetings to all the men and woman on death row of "peace" and success.

The food and the flat screen TVs

The food and the lousy TV's (both in terms of overall quality and in regards to the turn-around time for repairs) are 2 things that FDRAG hears about constantly.

We have included surveys in this newsletter requesting more information about these 2 problem areas.

We have also included extra copies of the surveys in some of the newsletters. If you get one of the extra copies, pass it along to someone who didn't get one.

We need everyone to fill these out!!

Also, if you have any grievances that you have filed about the food or TVs (that you have not already sent to FDRAG) we would like to get copies, preferably along with this survey. (We will make a copy and send back your originals).

\*\*\*\*\*

Access to the law library at FSP

There is apparently a policy in place at FSP that does not allow for direct access to the law library. Information necessary to appeal a ruling, or to prepare for an upcoming court session, is not easily accessible, or in some cases not accessible at all, for those who can't afford to pay the price.

\*\*\*\*\*

Medical care

In the next newsletter we will be including a survey about medical access and treatment.

\*\*\*\*\*

State issued property at UCI

If you go to DC at UCI we have been told that there is a new policy in place and you will now lose any state issued items. They will be given to the first person on the waiting list and when you get off DC you will be placed on the bottom of the waiting list. Not sure how long the wait time is on that list. Just to let you know.

Converter boxes

FDRAG received the e-mail below on Thu, Nov 18;

“The television converter box was removed from the menu because the clear casing box was no longer available from Keefe Commissary Network's provider. They are currently sourcing a replacement box, and after a new converter box is located and approved by the Department it will be available for purchase.

As you are aware analog televisions are being replaced by digital, and we have requested Keefe Commissary Network to source a new television that would meet our specific specifications. “

George B. Sapp  
Deputy Secretary of Institutions and Re Entry  
Florida Department of Corrections

\*\*\*\*\*

Holiday cards

Everyone should have started to receive holiday cards from around the world by now. FDRAG will be sending in one box of cards from the SE Station address just to be sure that everyone gets at least a few...in the event of mail delivery problems from overseas, or other unforeseen delays.

\*\*\*\*\*

Medical consent form

It's very important that you have a completed copy of this form on file with the health department. We have included copies of the form, as well as some extras (in some of the newsletters). If you get one of the extra copies, pass it along to someone who didn't get one.

Everyone needs to fill one of these out!!

\*\*\*\*\*

Greeting Cards

If you would like to receive assorted greeting cards, please let us know...if you haven't already. We lost the mailing list for cards along with the mailing list for the newsletter! FDRAG will send cards whenever supplies are available (a few times a year).

### Television repairs

FDRAG has spent many hours on the phone with Access trying to resolve issues with TVs that have been sent in for repair from UCI and FSP. If your TV breaks down and has to be sent to Access for repair, the information below might be helpful.

5-10 days after the set has been mailed out for repairs, you can write to:

Access, Customer Service/TV Specialist  
10880 Lin Page Place, St. Louis, MO 63132

Or someone can call Access at (866) 754-2818.

Write to or (if someone is calling) ask for customer service and check if the set has been received and logged by the warehouse.

After it's logged by the warehouse, the set is inspected and a repair ticket is generated, detailing what needs to be done and the cost (if any).

That information is sent to the billing department. They send out a postcard to you with the amount due for repairs (if any).

Once they receive payment, the repairs are scheduled.

If you have someone calling Access for you, they can find out the amount due and send in a money order to cover the payment. This can decrease the wait time as it takes a while to get a check cut and mailed out.

We are told that it should normally take 3-5 days to log in a TV set once it has been delivered to the warehouse. After the payment for repairs is received by Access, it should take no more than 10-14 days for the repairs.

If you have problems of any kind with the repair, you can write to the same address (above) to the attention of Shaneka, Sr. Customer Service Representative.

Contact info for Shaneka is:

phone # - (636) 925-9533  
fax number: (636) 925-9596

Keep a record of what is happening with your TV. Date shipped out for repairs, date of various letters sent to Access (as well as copies), etc,

If none of the above helps and you are still having problems, send FDRAG copies of everything you have done. We will try to help.

### Donating movies to UCI

If any of your friends or family members have DVD or VCR movies that can be donated to UCI, they should contact Nan Jeffcoat at <Jeffcoat.Nan@mail.dc.state.fl.us>; she is an asst. warden. She will send you a form which you fill out and return to her and she will return the form to you to let you know which movies have been approved to send or bring in.

Movies can be previously viewed.

Thanks to Florida Death Row for this.

*FDRAG would like to thank everyone  
for the holiday messages that we received  
and for the positive feedback  
on the newsletters.  
Thank you!!*

### Newsletter #29

Newsletter (#29) will be coming out in late January and will include Valentines messages among other things.

If you have something to include, please send it to us before January 15<sup>th</sup>.

### The "Inside Cover"

In the next newsletter we will be introducing a new section to be called "The Inside Cover". The space will be reserved for things that we get from you.

Do you have anything to share with those around you?

A good recipe made from canteen items? A way to clean that fan? A poem or a good resource maybe? Do you have a letter to the editor?

Send us anything that you would like to share. As long as it doesn't violate any rules, and it's not too long, we can publish it. We appreciate short pieces! Thanks.

### The night before Christmas for an attorney

Whereas, on an occasion immediately preceding the Nativity festival, throughout a dwelling unit, quiet descended, in which could be heard no disturbance, not even the sound emitted by a diminutive rodent related to, and in form resembling, a rat; and

Whereas, the offspring of the occupants had affixed their tubular, closely knit coverings for the nether limbs to the flue of the fireplace in expectation that a personage known as St. Nicholas would arrive; and

Whereas, said offspring had become somnolent, and were entertaining re: saccharine-flavored fruit; and

Whereas, the adult male of the family, et ux, attired in proper headgear, had also become quiescent in anticipation of nocturnal inertia; and

Whereas, a distraction on the snowy acreage outside aroused the owner to investigate; and

Whereas, he perceived in a most unbelieving manner a vehicle propelled by eight domesticated quadrupeds of a species found in arctic regions; and

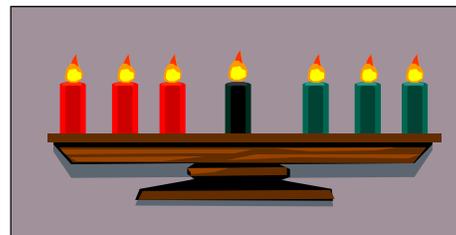

Whereas, a most odd rotund gentleman was entreating the aforesaid animals by their appellations, as follows:

"Your immediate co-operation is requested. Dasher, Dancer, Prancer, and Vixen; and collective action by you will be much appreciated, Comet, Cupid, Donner, and Blitzen"; and

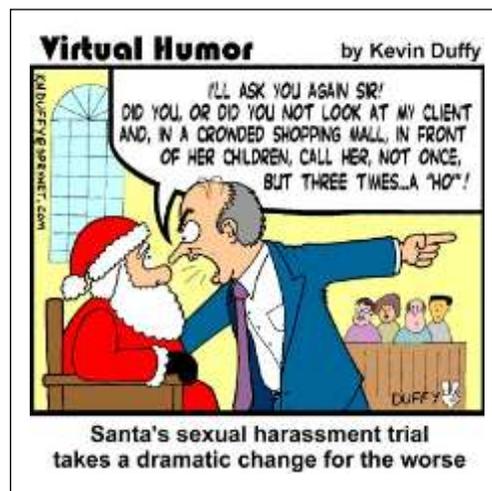

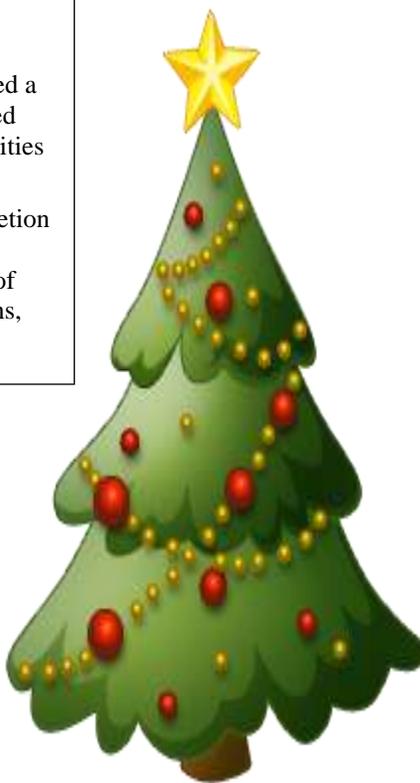

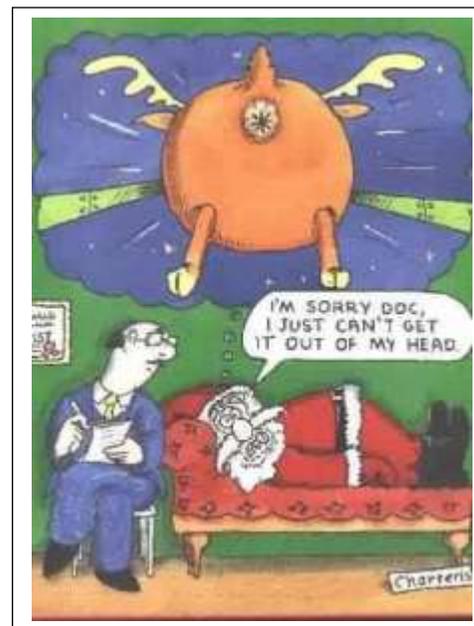

Whereas, subsequent to the above, there occurred a swift descent to the hearth by the aforementioned gentleman, where he proceeded to deposit gratuities in the aforementioned tubular coverings.

Now, therefore, be ye advised: that upon completion of these acts, and upon his return to his original point of departure, he proclaimed a felicitation of the type prevalent and suitable to these occasions, i.e.

Santa's sexual harassment trial takes a dramatic change for the worse

**What is FDRAG about?**

The Florida Death Row Advocacy Group (FDRAG) is made up of the families and friends of death row inmates in Florida. We are devoted to working on maintaining and improving the lives of those on the row.

Anyone who is willing to work for basic human rights is welcome.

If you are looking to become involved in anti-death penalty activities, we recommend that you join one of the excellent groups already up and running like NCADP, FADP, or CUADP.

Most of the members of FDRAG are active in anti-death penalty activities.

**FDRAG needs your help!!**

FDRAG always looks to welcome new members and we really need your help. There are a lot of things on our wish list to do, but we are very limited. We need people who can help us with projects, and we need money and stamps and anything that anyone can spare. Please let your friends and family know about us.

Whether you can help with a little or a lot, please contact us by filling in the form below, or by sending an e-mail to us or by calling!! Our contact information is on the other side of this page!

We appreciate anything that you can do. No offer to help is too small!!
